

2022 Central Regional November 11-12, 2022

REGIONAL CHAMPIONSHIP

MADISON, WI

NOVEMBER 11 - 12

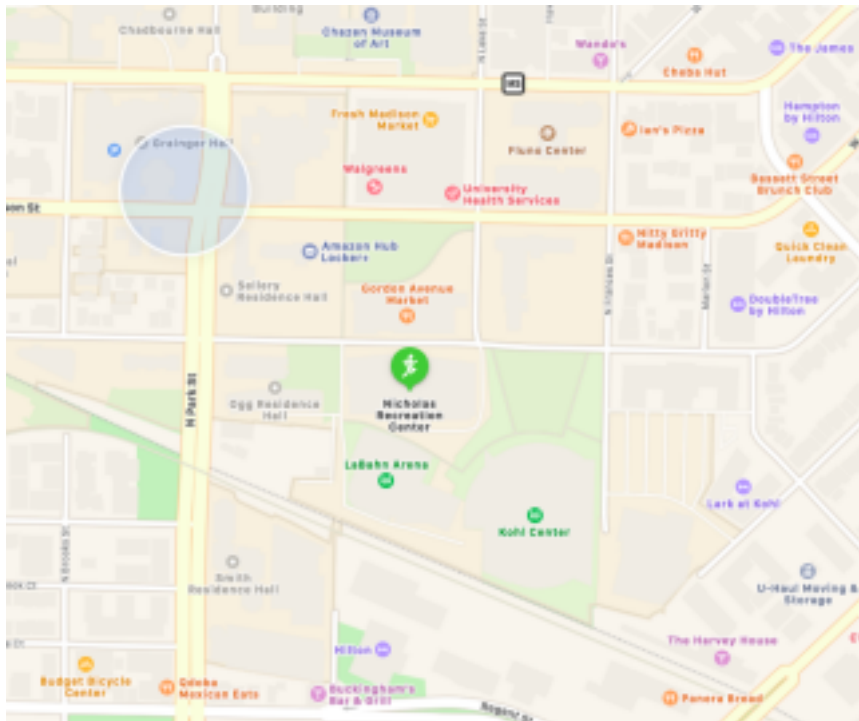

Hosted By:
Swim Club of the
University of Wisconsin

Facts about the Meet

This will be the Central Regional Championship for the 2022-23 school year! We are excited to be offering a championship level meet available to all skill levels for swimmers. With the elimination of many varsity swimming programs across the country, the collegiate club scene has seen a spike in participation over the past 15 years; and hopefully this meet will continue to grow to reflect this national change. Our national governing body, College Club Swimming, was formed in 2017 in partnership with US Masters Swimming, and encourages friendly competition at the collegiate level in the sport of swimming. This meet is open to all clubs and swimmers currently registered with College Club Swimming.
