## Thursday Afternoon and Friday Morning Warm-Up

### Thursday Afternoon

In order to allow athletes an opportunity to practice before the meet after traveling on Thursday, we will be holding a warm-up session on Thursday afternoon from 3:00 PM to 9:00 PM. Both the east and west pool will be available for warmups, but the dive well and the leisure pool are not available for athletes. The group assignments are as follows:

Warm Up Time	Group
3:00 - 5:00 PM	Group A
5:00 - 7:00 PM	Group B
7:00 - 9:00 PM	Group C + Remaining Teams

**\*Group assignments are based off responses from the nationals logistics survey shared with teams earlier this year\***

\*All remaining unlisted teams arriving on Thursday may also warm up with Group C

## Friday Morning

In order to allow athletes who are not competing on Friday an opportunity to warm-up before the meet, we will be holding a warm-up session on Friday from 8:30 AM to 1:00 PM. Swimmers who are not competing on Friday will not be able to warm-up during the competition warm-up in the evening since they will not have access to the pool deck. It will be broken up into 3 sessions to allow all teams adequate space in the pool. The group assignments are as follows:

<b>Group A 8:30 - 10:00 AM</b>	<b>Group B 10:00 - 11:30 AM</b>	<b>Group C + Remaining Teams 11:30 - 1:00 PM</b>

## **Meet Warm Up Procedures**

The east and west pools as well as the dive tank will be used for general warm-ups. Once warm-ups are over, the dive tank will remain open for continuous warm up and cool down.

### **Prelims**

With the exception of the pre-event warm up sessions on Thursday afternoon and Friday morning, athletes may only warm up in the session they are scheduled to swim in. The competition pools will open for warm ups for flight 2 as soon as possible after flight 1. Any warm up time changes will be announced in presidents' meetings and through Remind 101.

The diving well will remain open for warm up throughout each prelims session.

### **Finals**

During the finals session, the west pool (closer to the large video board) will be open to swimmers in that finals session for warm up and cool down.

## **Assigned Team Seating**

Teams will get seating assignments on the pool deck bleachers or in the upper level seats. There will be separate assignments for both prelim flights on Saturday and Sunday. There will be only one assignment for all three finals sessions. Teams will get their seating assignments in the folder they receive upon check in.

## **Results**

Results will be posted on deck on the wall under the scoreboard and in the main hallway of the spectator section.

## Awards Presentation Schedule

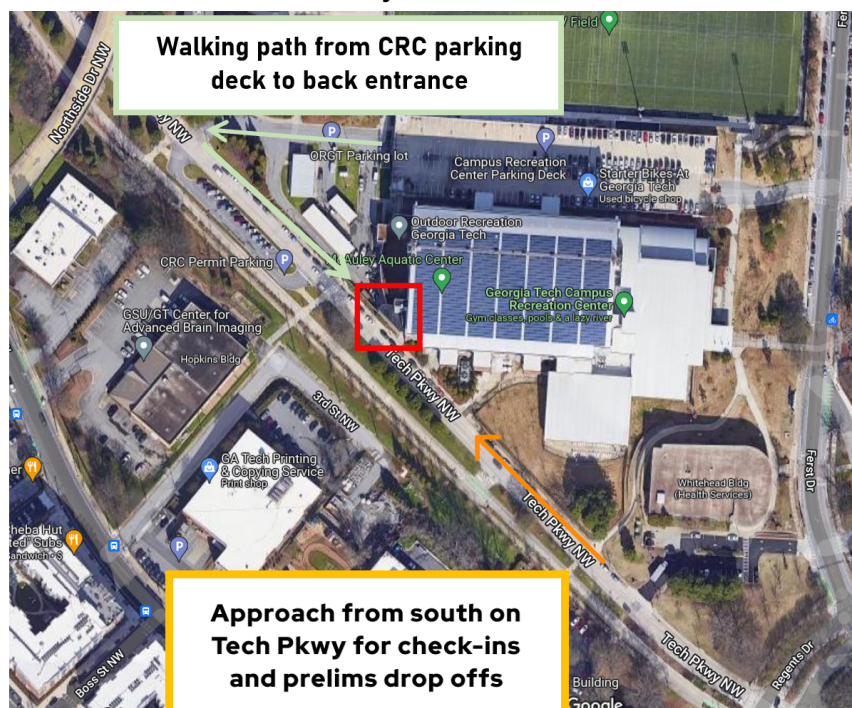

The following awards schedule is subject to change – any changes will be announced in the President's meetings.

Saturday	30 Minutes Prior to Start of Finals Warm-ups (4:30 PM)	All Friday Events (1-14) & 1000 Freestyle (31-32)
	Halfway Through Finals (After Men's 50 Free Final)	Events 15-22
	Following End of Finals	Events 23-30
Sunday	Halfway Through Finals (After Men's 50 Breast Final)	Events 33-38
	Following End of Finals	Events 39-45

## Facility Procedures

### Facility Entrance

There are two entrances to the facility: from the rear of the building on Tech Parkway and the front from Ferst Drive. Teams arriving by bus should utilize the rear entrance to make loading/unloading easier. Entrances to the CRC parking deck are located right next to both entrances. Teams should use the rear entrance for initial check in. We recommend that teams continue to use the rear entrance throughout the swim meet to reduce congestion at the front of the facility.

### Pool Deck Access

The pool deck will be limited only to athletes who are competing in the given session. This means that Flight 1 athletes can only access the deck during the session they are swimming, and Flight 2 athletes will need to wait until the conclusion of Flight 1 on both Saturday and Sunday. When not swimming, swimmers sit in the stands and cheer on their teammates. Bag tags will be used as credentials for access to seating in the stands.

To help manage deck access during prelims sessions, colored circle stickers will be distributed in the bag teams receive at check. There will be a specific color sticker for each session. It will be the responsibility of club presidents to distribute stickers to their team and stickers should be placed on bag tags. In order to access the deck swimmers will need their bag tag AND the colored sticker representative of the current session.

This is an example of how this process will work. A green sticker will be used for Saturday flight 1 and a blue sticker will be used for Saturday flight 2. If a swimmer is competing in flight 1 they will get a green sticker and place it on their bag tag, or a blue one if they are competing in flight 2. Meet security will only allow individuals with a green sticker on their bag tag on deck for the first session and a blue sticker for the second session.

For finals sessions, only those swimmers competing in finals, coaches with deck passes, club officers with deck passes, and teams whose assigned bleacher seating for finals sessions is located on the pool deck will be allowed on deck.

Session	Friday	Saturday Flight 1	Saturday Flight 1	Saturday Finals	Sunday Flight 1	Sunday Flight 2	Sunday Finals
Sticker Color	Red	Green	Orange	Black	Yellow	Blue	White

If you have members of your club leadership board or coaches who need deck access, you can request extra bag tags with [this form](#). Club members who are traveling with their team in order to cheer and not swimming in the meet will not be allowed to access the deck. They must also purchase a spectator pass to sit in the bleachers.

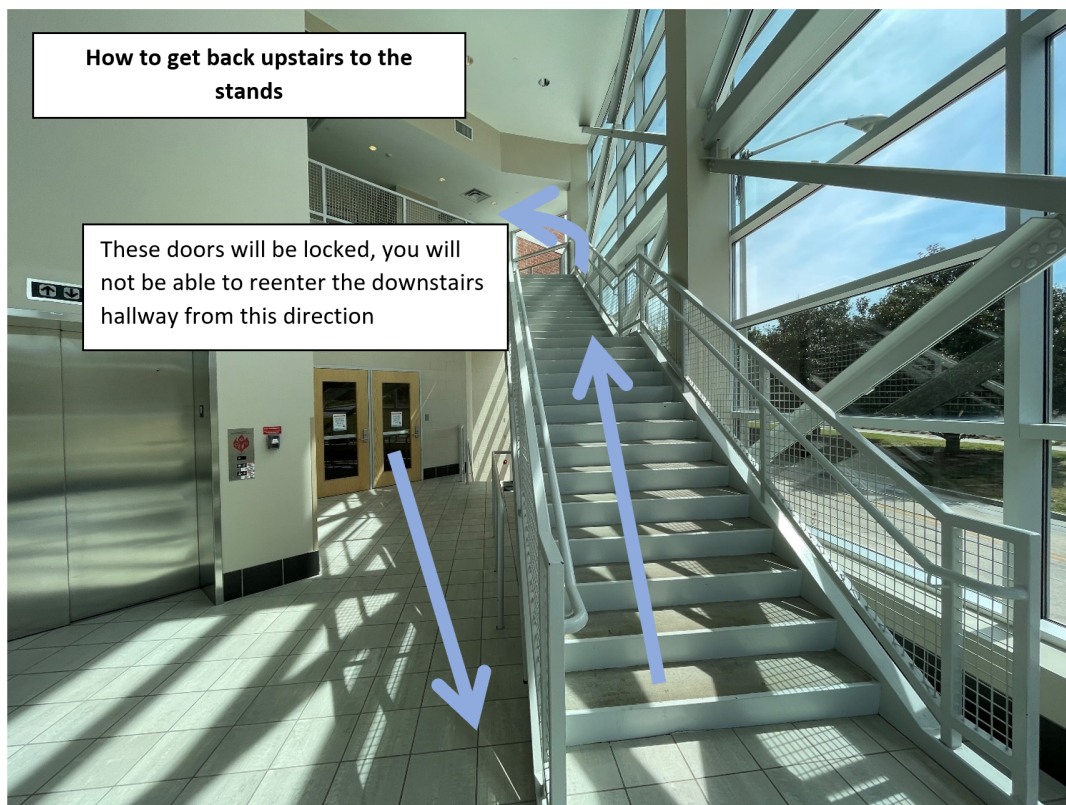

## Moving Throughout The Facility

To access the pool deck from the upper bleachers, there is a narrow staircase which will accept one-way traffic from the balcony to the pool deck throughout the session. *Swimmers, coaches, and volunteers will NOT be permitted to use the staircase to go from the deck to the upper bleachers.* This will prevent congestion when accessing the pool deck.

There is another staircase located through the doors at the end of the main hallway on the ground floor. This halfway can be accessed from the locker rooms or directly from the pool deck. The stairs will lead to the main halfway on the upper floor. Entrances to the stands will be on your left.

During the swim meet, expect for there to be security and/or a GTSC volunteer credentialing bag tags to make sure you are swimming in the current session when accessing the deck.

## Facility Policies & Logistics

The Campus Recreation Center (CRC) will be open for regular patrons throughout the weekend. With that in mind, note that the recreational pool and the fitness floors are **not** available to athletes competing in the meet.

Athletes are not permitted to leave any equipment or bags at the pool overnight in order to not disrupt custodial cleaning. Team banners may be hung from the balcony and left overnight as long as they do not block the scoring booth below. Painter's tape or rope/string or reusable zip ties should be used to hang banners. Single-use zip ties should not be used. If a banner is too large to be hung from the balcony, it can also be set up at the very top of the spectator seating area.

The lost & found is located on the pool deck outside the lifeguard office.

If your team is planning on ordering food delivered to the CRC, please ensure the order has the club name listed and that someone is ready to receive it when it arrives.

## **Check In Procedure**

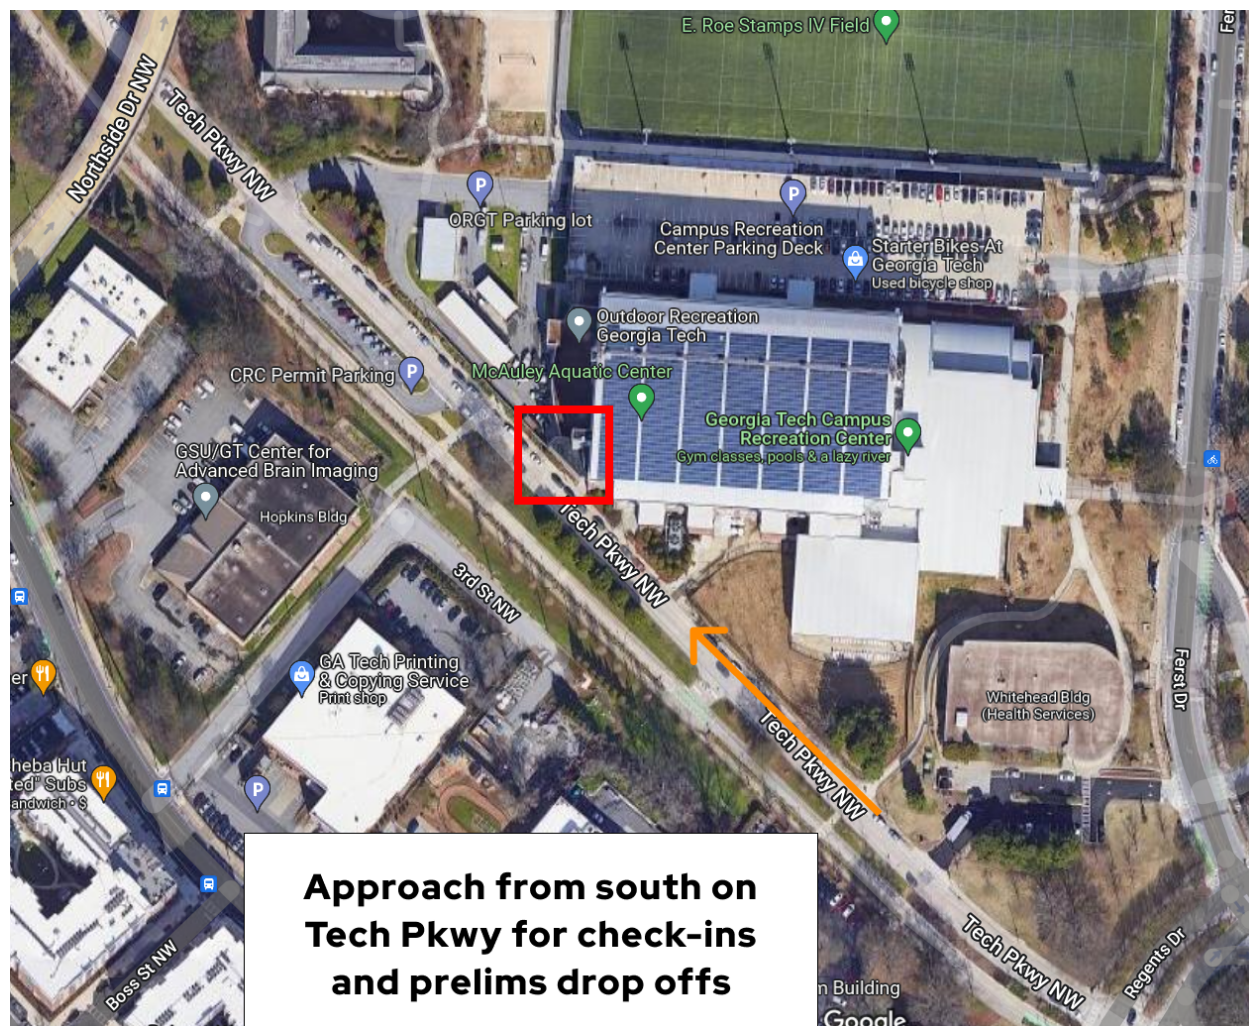

As is noted in the Meet Information Packet, you must check in prior to the first session in which your team has athletes competing. This means that if you have athletes competing on Friday evening, you must check your team in before warm ups. Check in will run 3:30-5:30 before Friday's session.

If your team is arriving Thursday afternoon, you will be able to check in from 3:00 PM to 8:00 PM during open warmups. On Friday, teams can check in from 8:15 AM until the conclusion of the early warm-up session at 1:00 PM. It would be extremely helpful for everyone if someone could swing by the pool and check in ahead of time. That way, when you get to the pool Friday afternoon, you can walk right in and not have to worry about waiting in a much longer check-in line.

Teams that require a Saturday check in can do so from 7:00 AM to 8:00 AM.

## **Check In Location**

Team check-in will take place on Tech Parkway by the back entrance to the pool. With that side of Tech Parkway being 2 way traffic, teams are required to approach the building from the south when bringing their athletes to the pool. You will not be allowed to access Tech Parkway from Northside Drive traveling south. You must enter Tech Parkway either from North Avenue or Means Street. Plan some extra time to get your athletes to the pool the day of the meet (specifically prelims) as it will be very congested. Below is a picture of the location where check-ins will take place:

The address of the facility is 750 Ferst Drive, Atlanta, GA 30318 however you will need to follow the diagram to access the facility from the rear entrance on Tech Parkway. Once you enter the facility, walk up the stairs to the second level where you will find the team check-in table.

One member of your team will check your whole team in. This person does not need to specifically be your club president, however the person checking your team in must have ALL required check in items.

## What to Bring to Check-In

### 1. Signed Waiver

All athletes must sign the Georgia Tech Campus Recreation liability [waiver](#) in order to participate at the meet. The club representative checking in for the team must collect everyone's signature and turn it in at check-in.

**Please collect your athlete's signatures ahead of time and have them**

**ready.** You should print off the waiver and collect your team's names and signatures on the separate signature sheet. Staple them together and bring it with you to the team check-in.

Signatures can be collected on this sheet:

<https://drive.google.com/file/d/1Ykc68lKv51Tca3GcyQi0n8Q5aV0CEmCF/view?usp=sharing>

## **2. Team Swim Cap**

Please plan on bringing and turning in a cap with your school's/club's logo on it. Latex vs silicone does not matter – also does not have to be a Nationals-specific cap – just needs to represent your club!

## **3. Payment**

Please bring a printed copy of your receipt from paying your swimming entry fees through CCS/Club Assistant (the registration software).

## **What You'll Receive at Check-In**

### **Check-In Bag**

Your check-in bag will include all athlete badges, heat sheets, relay cards, and other meet related documents. Without athlete badges, your members will not be allowed on the pool deck for warmups or competition, so make sure you check in as early as possible!

## **Reminders & Communication**

### **Pool, Deck, and Stands Capacity**

There are over 1000 athletes competing in every flight, including Friday timed finals. Whenever possible, do not arrive early for flight 2 warm ups and if your team's logistics enable some athletes to leave after their flight 1 swims, please do so. We will have a full house throughout the weekend so thank you in advance for your help in helping manage the numbers on the pool deck and spectator seating area. There will be a section in the stands for swimmers competing in the current session. There will be a section in the stands for spectating swimmers (not in current session).

In anticipation of a crowded spectator section, we will offer a live stream of the meet, open to all spectators in the classrooms adjacent to the upper seating area.

Plan to have your bag tag on you at all times when moving throughout the facility.

### **Spectator Tickets & Heat Sheets**

A comprehensive meet program, including heat sheets for all timed final/prelim sessions, will be available onsite for \$15.

Daily session tickets will also be available onsite in the lobby of the CRC to the left of the member services desk. The exact quantities available are available [here](#).

**The CRC is a cash-free facility and the only accepted form of onsite payment will be credit card (contactless or chip).**

### **Meet Communication**

As in past years, reminders and real-time updates will be sent out via Remind. All presidents are required to join the Remind group, and it is highly recommended that swimmers who are the only representation of their club join as well.

Please follow this link to join: <https://www.remind.com/join/22ccsnats> or text “@22ccsnats” to 81010.

## **Safety**

For medical emergencies that need attention outside of the CRC, here is one nearby clinic:

[Peachtree Immediate Care](#)

450 14th Street NW

Atlanta, GA 30318

404-480-9797

## **Volunteer Information**

### **Volunteer Requirement**

As per the Meet Packet, each team is required to fill 1 volunteer slot for every 10 athletes, and these volunteers can be parents/fans or competing athletes. Volunteers filling this requirement will need to specify which team they are representing on the sign up form. Please have them write out the name of their university in this space.

### **Volunteer Check In**

Volunteer check-in will be located in Room 251 of the Campus Recreation Center, which is located at the end of the main hallway on the left. All volunteers should plan on checking in 15 MINUTES prior to the start of their shift. Further directions will be given to volunteers upon arrival.

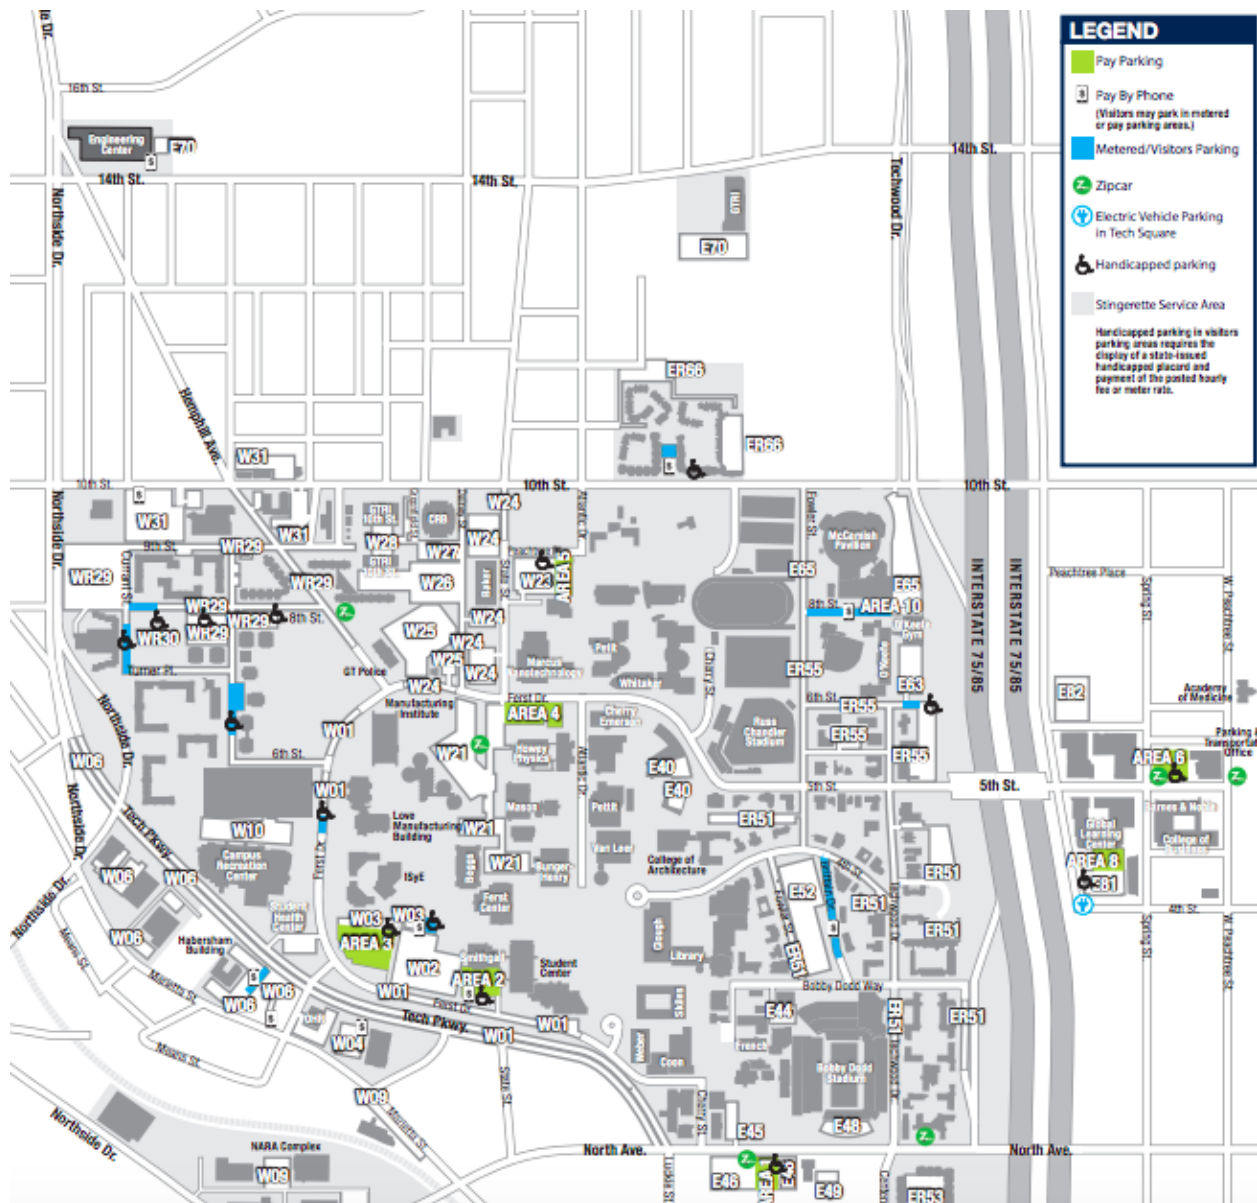

Throughout their shift, volunteers will have access to drinks and snacks in the hospitality room. Any parent/spectator/non-athlete volunteers will also be given a free meet t-shirt as thanks for helping out with the meet. Please note that hospitality is reserved for officials, meet staff, and volunteers ONLY.

We need 24 volunteers for each prelim shift. Volunteers may sign up for sessions using this [link](#):

# Parking Information

## Parking Map

## Parking Options

### CRC Parking Deck

The suggested way to park is to purchase a pass in advance at <https://gatech.parkmobile.io/events> for the Campus Recreation Center (CRC) parking deck, located adjacent to the pool. **If passes are sold out online, you will still be able to purchase a parking pass on the day of at the entrance to the parking deck.**

- [Purchase a parking pass for Friday](#)
- [Purchase a parking pass for Saturday](#)
- [Purchase a parking pass for Sunday](#)

You will enter this parking deck from Ferst Drive. After parking, spectators should enter the facility from the front entrance on Ferst Drive. Swimmers should enter through the back entrance on Tech Parkway.

### Other Parking Options

If you do not purchase a parking pass in advance, there are other convenient parking options available. [Visitor Area 3: Student Center Deck \(W03\)](#) is a 5 minute walk from the pool. [Visitor Area 5: North Deck/State Street \(W23\)](#) is a 10 minute walk from the pool. Both decks allow you to pay by the hour.

On Thursday, the Campus Recreation Center parking deck will not be open to visitors. If you are attending a Thursday afternoon/night warmup session and need to park, plan to park in Visitor Area 3 or Visitor Area 5 linked above.

The parking map can also be viewed [here](#). More parking information, including other available lots and rates, are at <https://pts.gatech.edu/visitors>. This link gives a full list of visitor parking lots, addresses, and park mobile payment links. Visitor Area 2: Ferst Dr. & Student Center and Visitor Area 4: State Street & Ferst Drive are two parking lot (not deck) options that are short walks to the facility.
