A screenshot of the College Club Swimming Membership Portal homepage. The page features a navigation menu with "Home", "Shopping Cart", "Swim Competitions", and "Onshalee Tests". A central announcement reads: "Welcome to the College Club Swimming Membership Portal! Here you can declare your attendance and events for a meet by clicking on the Declaration link below. You may continue to login and edit your events up until the athlete registration deadline. If your times are missing, please contact [collegeclub@usmastersswimming.org](mailto:collegeclub@usmastersswimming.org)." Below this is a table of swim competitions. The table has columns for "Dates", "Name", and "Declaration". The first row shows "Fri, 03/29/2019-Sun, 03/31/2019" for the "2019 College Club Swimming National Championship", with a "Declaration" link that says "Declaration Opens Tue, 02/12/2019 12:00 AM". The footer includes "© 2003 - 2019", "Powered by Club Assistant", and "Contact Privacy" links.

1. To indicate availability for a relay, check the box. This does NOT put you on a relay as the final relays will be compiled by the coach/president.
2. To enter an event, you must have previously swum the event during the season in a CCS recognized meet or approved USMS meet and have the time entered in the database. Your fastest time from either organization (USMS or CCS) is listed next to the time.
3. To remove yourself from an event, click the trashcan icon to remove the entry time.
4. If you have a qualifying time for the 500 Free (4a), you may manually enter a time for the 1000 Free (4b).
