ATHLETE ELIGIBILITY

As per the College Club Swimming Governance Handbook, Section 2.2 Swimming Competition:

Eligibility of Swimmers

- Any swimmer who has gone through the CCS swimmer registration process and meets the CCS eligibility requirements (in section 3.2 of the Governance Handbook) will be eligible to have their times in the CCS database.
- Any swimmer who swims with a college club program, but isn't registered with CCS, may participate in nonregional or national championship meets but their times will not be reflected in the CCS database.
- Any swimmer who is currently on a varsity team or has competed in a varsity meet in the current academic year may only compete as an exhibition swimmer at the local level and is not eligible for regional or national competition.
- Any swimmer who does not meet the NCAA amateurism eligibility standards may only compete as an exhibition swimmer at the local level and is not eligible for regional or national competition.

Relays

- Relay teams must be composed of four registered CCS swimmers who swim on the same registered CCS club.
- Men's relays must be composed of 4 male swimmers. Women's relays must be composed of 4 female swimmers.

As per the College Club Swimming Governance Handbook, Section 3.2 Membership of Individuals:

The club and its university or college decides who can be a member of their local club team. The below definition is only for eligibility as a nationally-registered CCS swimmer, who will be listed in the CCS database.

To be an individual CCS member, a swimmer needs to be a member of a CCS registered club. They can only be a member of one registered CCS club at a time. The swimmer must also meet the following requirements:

- Is at least 18 years old on the day of CCS registration.
- The member is in good standing with a CCS club affiliated with a university or college.
- The member is affiliated with the university as a full-time or part-time undergraduate or graduate student in the current academic term, a full-time co-op/intern student or faculty and staff in the current term.

For any additional questions, please refer to the CCS Governance Handbook.

CHAMPIONSHIP POLICIES

Swimming Rules & Regulations

The 2019 College Club Swimming National Championships will follow US Masters Swimming Rules for starts, strokes, turns, relays, and disqualifications. USA-S/USMS certified officials will be onsite to ensure compliance.

Specific rules to make note of include:

- Swimwear for Competition
 - Swimwear shall include only one swimsuit, no more than two caps, goggles, and a nose clip and/or ear plugs if desired.
 - Only swimsuits complying with FINA swimsuit specifications may be worn. Suits with tie-backs or other fasteners, are NOT permitted for competition.
 - Medical tape on the body is not permitted unless approved by the meet referee. K-tape on shoulders, elbows, or knees is never permitted.
 - Violation of any of these rules may result in disqualification. Exceptions may apply for extenuating circumstances at the discretion of the meet referee.
- Protests
 - Protests regarding disqualifications or recorded times shall be submitted to the meet referee within 30 minutes of the event. Protests regarding the conduct of the meet shall be submitted in writing to the designated meet official onsite. If the protest is with the referee, a formal complaint must be sent to collegeclub@usmastersswimming.org within 5 days of the event.

This championship meet is in the process of being officially recognized by United States Masters Swimming and USA Swimming. Times achieved at this event may be considered for USMS national records and Top Ten times for USMS members, and qualification for other USA Swimming Events. Swimmers wishing to have their times must submit their USMS ID# or USA Swimming ID when submitting their entries.

Swim-Off Policy

In the case of ties in preliminary competition which affect the placement of swimmers in finals, USA Swimming swim-off rules shall apply.

Deck Entry Policy

No deck entries will be accepted for individual events, nor for relay events. Swimmers must enter the events they wish to swim no later than the late entry deadline found on

the front page of this meet packet.

Relay Line-Up Policy

For each relay entered in the event, all club presidents will receive a relay card. Changes can be made to the relay line-up no later than 45 minutes prior to the start of the corresponding timed finals or prelims session. The correct relay card must be given to the clerk of course.

Scratch Policy

A scratch policy will be implemented for all individual events. Results from prelims will be posted once gathered. Within 30 minutes of the posting, teams must declare their intent to scratch to the clerk of course table. A scratch form will be at the table in which the swimmer prints and signs their name, writes their event they intend to scratch and the date. If a team should fail to declare an intent to scratch and an individual was placed in a finals heat, that individual will be prohibited from any other event they are swimming. Although there will be no consequences to a team/individual if there is failure to scratch from a prelim session, we strongly encourage presidents to make it aware to the clerk of course table if an individual has intent to scratch. In the case of an emergency and a scratch intent is not declared, there will be no charge so long as the official has been notified as proof. If you have any questions or comments about the scratch policy, please email swimclu@auburn.edu.

If a swimmer and/or the swimmer's club fails to scratch and appears in the finals line-up, whether or not the swimmer was originally in the top 20 or not, the swimmer is expected to compete at finals. If the swimmer does not swim at finals, the swimmer's club will be charged \$10 per event not swum. However, the swimmer(s) will still be able to compete in subsequent days. Exceptions to this rule include injury and illness, in which the meet referee must be notified and will use discretion to accept proof thereof.

Scoring

Scoring will be on a 16-place basis. Timed finals award points to those placing 1st through 8th in the championship final. Points for 9th through 16th place will be awarded solely on the basis of a consolation final. Only 3 swimmers will be able to score points for their team. More than 3 swimmers will have the ability to be in the finals heat; however, the score for the lowest placing swimmer of that team will be forfeited and will not be awarded to any swimmer. Only one relay per team will have the ability to earn points for their team. Additional relays are exhibition. Placement into finals for relays will be made accordingly. Points will be awarded as follows:

	Championship								Consolation							
Place	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16
Ind. Events	20	18	16	14	13	12	11	10	8	7	6	5	4	3	2	1
Relays	40	36	32	28	26	24	22	20	16	14	12	10	8	6	4	2

Awards

Individual medals will be awarded to the top three finishers in each event. Team awards will be presented to the top three finishers in Men's, Women's, and Combined Team categories.

Club Absence Policy

In the case that a club which has submitted entries is no longer able to attend due to extenuating circumstances, the club is still responsible for paying 100% of their meet fees incurred upon entry. No exceptions will be made.

Additional Policies to Note

1. Swimmers will be responsible for swimming in their assigned events, heats and lanes.
2. The Meet Referee may elect to change and/or combine heats and determine the need to do "fly-over" starts. Every reasonable effort will be made to notify clubs of any changes.
3. The no-recall starting protocol will be in effect during this meet.
4. Spectators are prohibited from entering the pool deck area of the facility. The pool deck is reserved for athletes, coaches, officials, assigned timers and volunteers.
5. Use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms. Except where venue facilities require otherwise, changing into or out of swimsuits (except for drag suits) other than in locker rooms is not appropriate and is prohibited.

6. DECK CHANGES ARE PROHIBITED and can result in an offending competitor's removal from the meet.
7. Operation of a drone, or any other flying apparatus, is prohibited within the venue any time athletes, coaches, officials and/or spectators are present.

ENTERING THE MEET

Event Limitations

Individual Events

Swimmers may be entered in a maximum of 6 individual events total.

Relays

Each club may enter up to 2 relay teams for each relay event (A and B). Only the A relay is eligible to score points or receive awards. Swimmers may be entered in a maximum of 5 relay events but may only participate on an A or B relay within a given relay event during a single session. For example, for the Saturday and Sunday relay events, swimmers may swim in the B relay during prelims and in the A relay during finals, provided their club submits a relay card updating their finals line-up in the time allotted. Swimmers may not swim in both the A and B relays in a relay event during prelims.

Entry Fees

Swimming

\$15 per swimmer up to 35 swimmers, then \$7 for each additional swimmer
\$6 per relay entry

Late Entry Fee

There will be no late entry permitted for this meet.
